

# How to get the most out of your FE MEMBERSHIP

1

## Block out learning time

Book a recurring block of learning time in your calendar and protect it from other meetings. This can be weekly, bi-weekly, monthly - or even daily! Even just 30mins is enough to learn.

## Learn together

Watch events and training webinars as part of your team meetings - either in person or online!

3

## Share feedback

Create a shared digital folder to keep event notes and share feedback. You'll be surprised how far knowledge can travel when you share it with others.

## Get involved

Our content is created with you in mind. Be sure to attend roundtables and return surveys so we know what you need. Or drop us an email or Slack at any time.

## Get connected

Attending our live virtual conferences is a great way to feel connected to your work and wider sector. The live buzz does wonders for motivation so come along and join in where you can.

## Start small

With so much content available it can be overwhelming to start. Choose a topic or edit to kick-off your learning journey and build from there, one webinar at a time.

Good luck - and enjoy!
